Head of Primary's Message

Dear parents,

As-salamu alaykum! It is with great pleasure that I welcome you and your children back to Term 3. I hope you and your family enjoyed a restful break and are now rejuvenated and ready to continue with the academic year.

As we return to school, we also continue to observe the holy month of Ramadan. This is a time of spiritual reflection, self-discipline and generosity, and we will be continuing to incorporate these values into our school's daily routine. Our next event is the Iftar this evening and we hope all who are attending have a wonderful time.

I would like to take a moment to celebrate the achievements of two of our students over the break. One of our senior school students, Sanchi climbed Everest base camp, an incredible accomplishment that requires hard work, perseverance, and determination. Another student, Pratyusha won a chess trophy, showcasing their strategic thinking and problem-solving skills. We are proud of both of them for their outstanding achievements. Please do keep letting us know about these types of achievements so that we can continue to be proud of our students both in and out of school.

Speaking of snow and mountains, we also had a group of Year 5 and 6 students who went skiing in Switzerland over the break, accompanied by Ms. Sara, Mr. Conor, and Ms. Francesca. We are delighted to have them back safe and sound, and we hope they had an unforgettable experience on the slopes. This brings our residential trips to a close for the year. Information regarding residential for next year will be shared in the coming weeks.

We were also delighted to recently announce that our school received an Outstanding rating from the KHDA team. This achievement is a testament to the hard work and dedication of our staff, students, and parents. As a community, I know we are committed to maintaining this level of excellence in everything we do.

Kind regards,
Tom Collar
