Head of Primary's Message

Dear DIA Families,

Dubai 30X30 Kicks Off!

We launched Dubai 30x30 this year with a burst of energy, thanks to Guillaume 'G', Belle and Felice's dad, who electrified the stage on Tuesday morning, alongside our Sports Ambassadors for our Year 1-6 students as he led from the front and got all of the children smiling and moving. A big thanks to his team from Ignite for all their support. Maria who runs Fitness By Maria, Milo and Evelyn's mum, is also getting parents and their children moving on the Skygarden every Friday morning at 6:45 AM, I saw a couple of parents trying their best to keep up with their children this morning. Across this month, there are so many events lined up, so please check our calendar and join in wherever possible. Your participation is greatly appreciated!

Year 6 Assemblies

Our Year 6 assemblies were a blast this week, filled with messages of friendship, song, and poetry that playfully teased parents for being 'a touch' overprotective sometimes. Remember, other year groups will have their turns throughout the year, so keep an eye on the calendar for those dates. However, as we are a busy school, discuss with your children which events are most important to them to manage expectations and attendance effectively. We cannot do it all.

Parent-Teacher Conferences (PTCs)

It was wonderful to see so many parents at the PTCs, gaining insights into the daily happenings at school. We understand that the 10-minute slots are brief, and we are reflecting on how to make the most of this time. If you need more information or wish to discuss further, please reach out to your child's teacher directly. Also, please be mindful of time zones when booking appointments to avoid confusion, and try to stick to your scheduled times to ease pressure on our teachers.

Digital Education and Wellbeing

As part of our ongoing commitment to digital citizenship, Mr. Colin, Deputy Pastoral from the Senior School, arranged for Jackie Greenwood, a specialist in 'Digital Wellbeing - Being Safe & Well Online' to deliver a session on Tuesday morning. Jackie's session offered profound insights into maintaining safety and wellness in the digital realm. We hope it was enlightening for those who attended.

20,001 Tree Campaign

We also kicked off the 20,001 Tree Campaign as part of our ongoing sustainability efforts and to celebrate 20 years of Innoventures Education. This initiative, led by Ms. Poonam, our CEO, symbolises our commitment to growth and sustainability. The reason for the extra 1 is to mark the next chapter of what we will accomplish and how we will continue to grow, a lovely tradition that Ms. Poonam taught me about recently.

MOvember - From Mr. Sean - Primary School Wellbeing Lead

Firstly, I would like to say thank you to everyone who is continuously contributing to one of our most influential School Drivers, 'Wellbeing'.

As part of this Driver, I would now like to welcome MOvember. It is a special time of year where we celebrate men's mental health. All necessary information is in the PDF attached to this email whereby you will find some ways to support the cause, whether you are MObrother or a MOsister. Please check the poster below.

Within MOvember, Gaelle Millard, who is a parent here at DIA, has offered to extend her previous session on positive body image, due to parent demand. This session will be hosted online on Wednesday 13th November 2024 at 07:30pm via Microsoft Teams. If you would like to sign up, please do using the link below. It is an wonderful session that tackles key emotions and offers powerful insight, so please do attend if you can. [We please ask you to click here and sign up by the 10th November 2024.](#)

*All the best,
Mr Sean*

Have wonderful celebrations this weekend for those celebrating and see you next week.

P.S for anyone wondering why our rear carpark had to be vacated on Thursday morning, we had a royal helicopter who had identified it as the best place to land, based on the location of the royal visit (sadly they did not visit the school). Thank you to all parents who swiftly understood the reality of these types of unique requests in the UAE and helped us to accommodate.

Kind regards,
Tom

TAKING ACTION

Has your child been taking action out of school? Then we want to know all about it so we can celebrate it on our posters and displays in school...

Please email Mr Nick with any details at nicholast@diadubai.com

Arihan (2A), a budding young gardener, has taken action by nurturing plants and sowing seeds with passion, inspiring climate consciousness, and aspirations of a greener future! Never change Arihan :)

Mehr (4D) has had a long passion for caring for the stray cats in her community. For over 2 years, she has fed them in the morning and in the evening. This is a lovely and kind gesture which is amazing to see. Awesome job Mehr, keep up the great work :)

S4K Production - The Jungle Book at DIA-EH on 18 November 2024

THE JUNGLE BOOK, a musical shory for 4-11 year olds, adapted from the Mowgli stories of Rudyard Kipling and made popular by the Walt Disney movies, is magically brought to life here at DIA- EH. Brought up in the Indian jungle, MOWGLI THE MAN CUB is taught the laws of the jungle by his friend BALOO THE BEAR and BAGHEERA THE PANTHER. When time comes for Mowgli to leave the jungle and return to the Man Village, the lessons he has learned prove invaluable. THE JUNGLE BOOK is a delightful musical comedy show with plenty of audience participation and interactive fun ideal for children of all ages! The show is performed in English and sensitively adapted for UAE audiences.
