Head of Primary's Message

Dear families,

Greetings from Year 6 Camp

This week's newsletter comes to you from the exciting environs of the Year 6 camp, where our students are exemplifying bravery, camaraderie, and leaving a fantastic impression on the Ecoventure staff. Their adventures range from white water rafting to surfing and singing round the campfire. These experiences are not just fun activities; they are moments that will become cherished lifelong memories for our students. A big thank you as well to Mr. Conor, Ms Aida, Ms. Lyndsey and Ms. Megan who donated their time away from their families to support this trip. (Photo link to be shared next week)

Showcasing Game Designing Talent

Back at school, Mr. Filipe's game designers have been impressing everyone with their coding prowess and creativity. Their fabulous projects are a testament to the innovative spirit we nurture at DIA. I received a lovely emailing stating that, "Such initiatives contribute significantly to the overall development, motivation, and well-being of the students." This type of feedback really does fuel our commitment to such enriching educational experiences.

Innovents Got Talent Triumph

In the realm of performing arts, our students have outdone themselves in the Innovents Got Talent competition, clinching 1st place across five categories. Singing, dancing, instrumental performances, geographical knowledge, and our very first primary school band performed with such confidence and we are all so proud. A huge thank you to Ms. Rini, Ms. Lauren, and the parents for their unwavering support. Catch some of the highlights on our Instagram page.

Centre for Musical Arts (Year 3-6)

On Tuesday we welcomed CMA into our Tunes on Tuesday, followed by a parent meeting. I am delighted to share that after a positive initial response, we are starting Piano lessons from next week. As more interest is registered (see letter below) the team will work on assigning tutors for more instruments or more tutors for current instruments. This will grow over time so please reach out if you would like more information or if you would like to register, [click here](#).

Saluting Our Marathon Participants

You will have seen last week that we had a number of runners taking part in a variety of races at the Dubai Marathon. Well done to all the staff and community members who participated in the 4km, 10km, and 42km runs over the weekend. Your dedication to fitness and personal challenges is inspiring and embodies the spirit of our DIA community. Mr Philip has now shared his plans for future events such as this and it is looking like next time will be bigger better and involved the whole community. Stay tuned for details.

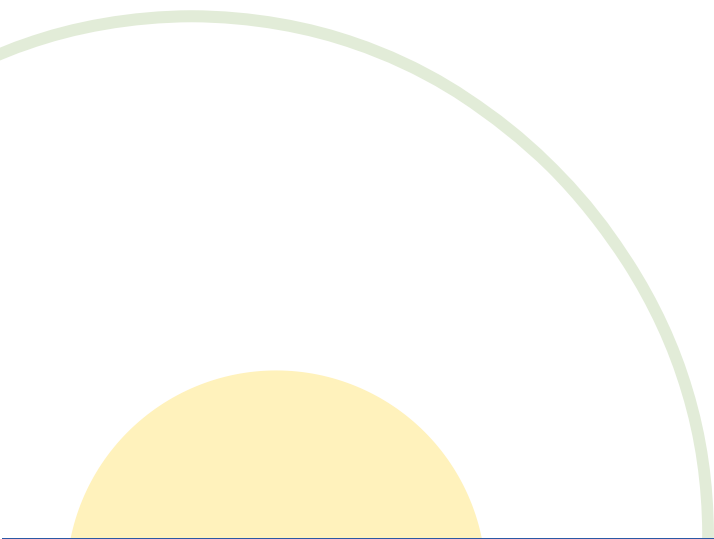

Run DIA run!

Not only did we have the adult runners above, Ms. Shona sent told me all about how amazingly our student runners did this week with even our 'non-podium' finishers, coming very close and DIA absolutely dominated the competition as a whole. Well done to all the students, staff and as ever the supportive parents.

- under 8 boys (year 3) came 1st in their race
- under 9 girls (year 4) came 2nd in their race
- under 11 girls (year 6) came 2nd in their race
- under 8 girls (year 3) came 3rd in their race

As many of us continue our New Years resolutions I feel that this week has really embodied the diverse talents and strengths that make our school community so unique and vibrant.

Kind regards,
Tom Collar

TAKING ACTION

Has your child been taking action out of school over the winter break? Then we want to know all about it so we can celebrate it on our displays in school...

Y1 had the pleasure of welcoming the Stray Dogs Center, as part of their unit of inquiry last term. Here they learnt about the responsibility attached to owning a pet and the way in which they can make sure they care for them properly. The children absolutely loved meeting the visiting puppies, and were able to send them on their way with lots of dog food thanks to all the generous donations.

Dear parents,

As you will hopefully be aware, we have launched a new food provider. Feedback so far has been positive, however there is naturally a few teething items to iron out at the start of a new system. The below email is aimed at clarifying some of the questions, and issues faced in the first week.

KG2 - Year 2

- Parents of students in these year groups can only buy pre-purchased meals that are delivered to the classroom.
- There was an error allowing Year 2 to add money to the re-charge account. This has now been rectified and should you need a refund please reach out to the Kalo Hospitality contacts below.

Year 3 - 4

- The system that Kalo has in place will work best with an ID card. As such, students whose parents register on the app will be provided with an ID Card that they can use to buy items.
- Once you register, the name will be handed to our IT department and the card printed. Please allow around 5 working days for the card to be printed. Once the card has been delivered to the student it can be used immediately.
- Cash can still be used in the canteen until the card has been printed.

Register for an ID Card – Year 3-6

1) Download the Kalo mobile:

iOS (Apple) App Link: <https://apps.apple.com/ae/app/kalo-hospitality/id6461117251>

o Android App Link: <https://play.google.com/store/apps/details?id=munch.kalo.delivery>

2) Your details will be sent by Kalo to our IT Team who will make an ID Card

3) The card will be delivered to the student and can be used immediately. Please note that if the card is lost for any reason this is responsibility of the student and the school is not liable for any lost or damaged cards. (NB: The first ID card is free and replacement cards will cost 50aed)
