Head of Primary's Message

Dear families,

Year 5 Camp

This week, our Year 5 students embarked on their much-anticipated camp adventure. I would like to extend my sincere gratitude to the Year 5 community for their adaptability and positive spirit in the face of the last-minute location change. The students have had a fantastic experience, filled with learning, fun, and camaraderie. Looking ahead, I'm excited to share that we have secured dates for next year which will allow all sections to attend simultaneously. This new arrangement means that all year groups will have the opportunity to experience their camps in the same week, enhancing the sense of unity and shared experience across the school. We will provide more detailed information after the conclusion of this year's trips. Next up Year 4, Sri Lanka, Borneo and Skiing.

Year 3G's Class Assembly: A Spectacular Start

The class assembly season at our school commenced with a fantastic performance by Year 3G. Their well-crafted and executed presentation was lovely to watch, and it set the tone for the rest of the 'season'. Addressing both the parents and children in attendance, I highlighted the significant fact that these young performers confidently presented in front of over 200 people – a remarkable feat at such a young age. I am immensely proud of how our school continuously cultivates and expands opportunities for our students to experience the exhilaration of performance and presentation. These moments are not just about entertainment; they are pivotal in building confidence, public speaking skills, and a sense of accomplishment in our students.

KENKEN championship

We had several children competing in the KENKEN competition this week and I have been so impressed with some of the certifications that have been sent in. These include Jude in Year 6 who ranked 1st as the Grand Champion and Zayn (Year 4), Ng Xuan (Year 4), Arta (Year 6) who all achieved top 10 rankings (and these are just the ones I know of). As is the case each week, children at this school never cease to amaze me regarding their commitment to opportunity. Not only did we have KENKEN, The League of Logic was in full swing and after ranking 1st, Aadya will soon be the recipient of the converted MacBook prize. Well done!

KG Curiosity

The weather has proven beautiful this week and the KG children have used it as an excuse to have lunch picnics in the Skygarden. It has been a wonderful chance to meet children from other classes and play with old and new friends alike. In our learning children have been developing 3D shapes by making some truly fantastic contraptions. The children have loved our current artist, Kandinsky. I am sure they have shown you some of the incredible work they have done inspired by him.

Have a woofderful weekend,

Tom Collar

CIRQUE DU LIBAN PRESENTS PLUMA CIRCUS

KG2 TO YEAR 4

The show introduces the audience to a girl called Pluma, which when translated from Latin, Pluma means 'feather'. Pluma, is a little one but she has big dreams of flying.

She finds herself whisked away into another realm where magic is the air one breathes. Here she meets other beings who offer her age-old secrets of flight. As time goes on, she sprouts her wings, both metaphorically and literally, discovering her potential and nurturing a newfound faith in her abilities.

The show claims to be 'the next evolution of circus entertainment', which means we ought to be prepared for a show that will blow us away.

Pluma will take on more slow-paced motions and stunts, similar to the movements of a light feather.

If you wish your child to attend this fantastic performance, then please arrange an online payment of AED 120 via the below online payment line:
<https://payment.innoventureseducation.com/diaeh/online/>
To login, use your child's "student ID number" and date of birth.

Payment deadline: Sunday 28 January 2024

Circus Date
31 January 2024

Show Time
9.30 - 11.30 am

Venue
Dubai Festival City, Festival

Should students not be attending, they will remain in class with one of the year team teachers.

The online ticket payment is non-refundable.

Student Council Message

Dear DIA Parents,

We hope 2024 marks the beginning of another great chapter for you and your family!

As we continue the exciting educational endeavors at DIA, we are thrilled to announce the launch of our new **School Book Drive** and the amazing initiative it aspires to support: our very own **DIA "Reading Oasis"** - areas around the school for all children and parents to enjoy that can be used throughout the day, whether the students are on break or parents are waiting for their children.

This term, we aim to create a vibrant collection of books that will inspire and captivate the imaginations of our young readers and, hopefully, some of you as parents, bringing you further into your journey in the world of words and wonder. We hope this initiative to grow into a fruitful, long-lasting collaboration among students, staff and parents. Here's where you come in!

Ways You Can Contribute: We kindly ask for your support. Whether you have **gently used books** and **educational magazines** at home that your family has outgrown or you would like to contribute with **new favourite titles** - every donation, big or small, will help toward making this initiative a success story.

How to Donate: Please drop off your book donations **from 19th to 31st of January at the Library**. You are welcomed to come together with your child/ren as we would be glad to have the chance to thank the whole family in person for your contribution.

The Impact of Your Support:

The benefits of the Book Drive and the initiative it supports are beyond facts and numbers. First and foremost, fostering a love of reading amongst students is invaluable and irreplaceable act. Furthermore, creating a sense of community through shared experiences and stories is vital for nurturing true bond amongst all of us- students, parents and staff. Last but not least, we hope this initiative enhances further the creativity and academic achievement of our students here at Dubai International Academy - Emirates Hills.

Thank you for helping us make this year's School Book Drive a tremendous success!

Stay tuned for more news on DIA Reading Oasis Initiative!

For the love of reading!

Warm regards,

Sean Taylor, Student Council Leader
& Desislava Kouzeva, Librarian

Aviraaj (3A) celebrated the Makar Sankranti (a Hindu festival) by distributing grains and other foods with his sister to workers in the local community.

Ray (4A) is always on the look out to help an animal in need, where he regularly feeds and cares for the stray cats in his community. He reckons he is currently feeding 21 cats everyday.

Sukhmani (KG1B) spent her time at the beach collecting rubbish and even made her own work of art using the plant derivatives she found.

The children and parents of 3F came together and made cards and collected treats to distribute to the children at the 'Dubai center for special needs'.
