Marina beagles, while we wait for our new home to be ready. I am not sure Arthur understands the concept of a water view.

Head of Primary's Message

Dear DIA Families,

Successful 'finally' Year 5 Trip

After a series of unfortunate postponements and cancellations, our Year 5 students finally embarked a much desired educational trip. It was wonderful to see them extend their learning about biomes and environments beyond the classroom. The flexibility and understanding shown by both teachers and parents during these rescheduling efforts have been fabulous, so thank you.

KG1 Open Morning

This week, KG1 hosted an open morning for parents of children transitioning to our campus next year, otherwise known as the 'big school'. Mr. James was delighted to provide you with the opportunity to tour our facilities, and have your questions answered. We hope the session was informative and helped ease the transition for both you and your children.

Progress on the PYP Exhibition

The Primary Years Programme Exhibition (PYPx) is in full swing, with my office buzzing with students eager to discuss their innovative projects, from AI, to charitable initiatives. Part of their preparation included visits to other IB schools in the region for idea moderation, enriching their perspectives and refining their projects.

Anticipation for the Summer Concerts

Looking ahead to next week, our Summer Concerts are on the horizon. Under the guidance of Ms. Rini, Ms. Lauren, and our dedicated Arts Department, the students are gearing up to deliver what promises to be another spectacular performance. We will maintain the same format and seating arrangements as the Winter Concerts and eagerly await the opportunity to showcase the remarkable talents of our students. A big thank you to the parents who have once again supported with the décor ideas and execution of the layout. Due to space limitations and logistics, we are unable to allow siblings to attend the summer concert.

Attendance Gentle Reminder

As the end to the academic year draws closer, I'd like to remind our DIA families that our school calendar is carefully structured with planned events and learning units right up to the end of the year. We are unable to shift events to accommodate early departures due to the full schedule of opportunities designed for student benefit. Additionally, I would like to remind the community of the adjustments made this term, such as moving Parent-Teacher Conferences and canceling a planned holiday to compensate for the rain days and early departures are contrary to this intent. I understand the context of international living, but as Head Teacher, it is my duty to emphasise the importance of full attendance to uphold the integrity of our educational programs and community commitments.

Kind regards,
Tom Collar

BE PART OF THE DIALOGUE

Discuss - Inquire - Absorb

Which wolf do you feed? The **good** one or the **bad** one? The episode comes from the author of *Stolen Focus* (a book we will get onto later). This discusses mindset and how we feed our minds and the impact this has on our feelings.

The YouTube link is a short accompanying motivational video linked to this concept.

Share your suggestions

Disclaimer: These are not paid partnerships and I recommend the full reading of episode descriptions before listening to ensure the topics discussed align with your values. These podcasts are recommended for our adult, parent community and are not recommended to be listened to with your children unless you have listened to and approved the content for them.

NOTICES

We have noticed a resurgence of inappropriate jewellery in school. We would like to remind all students and families that the policy permits one small pair of stud earrings, which must be removed or covered for sport. No other jewellery should be worn without prior consent.

Following on from last week's notice regarding sweets, this also includes chewing gum which is not permitted in school.
