# Deputy Heads' Message

We don't have dogs so you  
just get us

Dear wonderful reader (we hope you are out there),

What an amazing week!

The week began with a fun day organised by our incredible Arabic department, with Years 2-6 students playing games in Arabic, creating positive messages and immersing themselves further into the Arabic language.

Children from the younger years performed at the Innovents Early Years Got Talent show. The turnout from across the group was wonderful to be part of. The show was a great showcase of the range of talent which is across the Innoventures group. It was wonderful to see so many of our students step out of their comfort zones and showcase their abilities in front of their peers. We hope that this is a first step in building a platform for all children to perform and demonstrate their unique abilities.

Our students also had the opportunity to go on a fantastic trip this week, which helped to expand their horizons and enrich their learning experiences. Year 1 visited the Courtyard Playhouse for an interactive storytelling and theatre experience. The entire year group got to see their ideas brought to life and contribute to an evolving story.

The PYPx build-up is in full swing, and our students are working hard on their projects. They are using their creativity, critical thinking skills, and collaborative abilities to create solutions for real-world problems. All the teams have started meeting with their mentors and there is a real buzz around the place.

Please do remember that Year 4 to 6 have their ACER assessments next week, so do make sure you child has a good breakfast before coming to school and get plenty of rest.

Kind regards,

Steph and James

## REMINDERS

**NO HAT NO SUNSHINE!**

Tough to find a catchy headline for this. However, it is vital that your children are protected from the sun if they are in the direct light. From next week we will begin enforcing hats during any play that is in direct sunlight. If children do not have a hat they will be asked to remain in shaded areas.

She meets many characters along the way and discovers the true meaning of friendship. This delightful musical comedy involves plenty of audience participation and interactive fun, includes puppetry, illusion, music and catchy songs played by talented actors and musicians.
