# Head of Primary's Message

Maxime in Year 4 would like to introduce you all to Tequila, his seven month old mini lion who loves to sleep! (keep them coming)

Dear Parents,

It has been a remarkable year for our school's sports teams, and we are incredibly proud of their accomplishments. Our athletes were celebrated in assemblies all this week after showcasing their exceptional skills and dedication, making us the primary school to beat in the region.

One of the most remarkable achievements I would like to highlight is that we are the only primary school in the region participating in every sport available through DASSA (Dubai Affiliated School Sports Association). This accomplishment speaks volumes about our commitment to offering diverse sporting opportunities to our students and encouraging them to excel in various disciplines.

We owe a tremendous debt of gratitude to the parents who have consistently supported our athletes throughout the year. Thank you for attending matches, cheering from the sidelines, and instilling a sense of sportsmanship and teamwork in our young athletes. Of course, none of this would be possible without the tireless efforts of our incredible PE team and coaches. Their expertise, guidance, and dedication have been instrumental in shaping our athletes and helping them reach their full potential. Last but certainly not least, we must recognize the hard work and dedication of our student athletes. You have shown remarkable discipline, perseverance, and teamwork throughout the year.

Thank you to our Mother Tongue Department for their fabulous assemblies. These assemblies serve as a vital platform for honoring and showcasing the diverse languages and cultures represented within our school. They highlight the importance of preserving and cherishing our mother tongues while fostering a sense of pride and appreciation for our cultural heritage.

As we near the point at which we bid farewell to another fruitful academic year, we look ahead to the next and I am so proud of how the children engaged with their move up days. Particularly Year 6 who spent two days getting to grips with Secondary school life. Change is one of few certainties in life and it is important we help support our children through this.

Enjoy a wonderful weekend.

Kind regards,  
Tom Collar

# CHILD MENTAL HEALTH MATTERS For Parents

A 2-hour online workshop for parents, including Q&A and discussion.

## ABOUT THIS ONLINE WORKSHOP:

*According to the World Health Organization, 1 in 5 children struggle with a mental health condition.*

As a parent, it has become increasingly important to know the difference between good social, emotional, and mental health versus your child developing mental health conditions. As is the case with physical health difficulties, early detection and intervention of mental health difficulties leads to a better prognosis. The *Child Mental Health Matters - for Parents* workshop presents concrete information that describes behaviors that may indicate a mental health concern, while providing specific skills and strategies to engage and support your child with their mental health.

## LEARNING OUTCOMES:

- Themes and trends of child mental health globally and in the UAE
- Why early intervention is important
- Mental health literacy
- Understanding the risk factors of mental health conditions
- Recognizing the signs and symptoms of mental health conditions
- Responding to your child who may be struggling with a SMART Action Plan
- Preventative care for child mental health
