Head of Primary's Message

Dear Parents,

This week saw our Year 3s head to Legoland to investigate how forces impact on the design of a theme park and the rides. Ensuring children are able to relate their learning to practical application is a significant part of the curriculum and further embeds purpose and meaning to their learning. I look forward to seeing the designs they will now create in class.

Movie night with our Year 6 and 7s was a huge success. The children watched (some) of the movie, chatted, relaxed, played and bonded, which is ultimately the reason for holding such community events. We were also able to raise over AED 5000 for the Innoventures GIVE charity.

Today we had our Spirit Day, where children from across the school came together in support of their House. Ms Natalie (Year 3), along with the teachers, House Captains and Student Council led the way with chants and activities. This comradery builds whole school relationships and develops a strong sense of belonging. A big thank you to all the parents for helping your children with their House colours and even dressed up yourselves.

I am now off to join the Year 5s on their camp for the afternoon, so I hope you all have a wonderful weekend and we will see you next week.

Kind regards,
Tom Collar

Children to wear Red, Pink,
Blue or Purple.

REMINDERS

- This week we had an injury to a parent and child due to a door car door being opened without due care and attention. This took place at the Kiss and Drop while the parent was on the path. Please ensure all surroundings are checked to ensure the safety of those around us.
- **Student Led Conference Guidance** will be coming out next week. Stay tuned for more information.

PADIA Presents the...

DIA Coffee Morning

KG1 : 1st February
KG2: 24th January
Year 1: 26th January
Year 2: 23rd January
Year 3 : 25th January
