Head of Primary's Message

Dear Parents,

"Just keep swimming" encouraged Mr Dom and Ms Amy as we dominated the field at the Pink is Punk Aquathon last weekend. The children did DIA and themselves proud! Following on from this event, Tuesday 18th October is our Pink Day. This is about raising further awareness and support for those who are impacted by cancer, either themselves or loved ones.

It has been another exciting and busy week in DIA. Year 2 blew us all away with their living wax work museum. They had such a wonderful knowledge, reasoning and of course outfits to go along their idols. I am told a video celebrating the event is on the way so stay tuned. We also had Year 4 children putting their 'trust in the crust' at Pizza Express as they learned how to prepare homemade pizzas with fresh ingredients. Instilling a passion for homemade dishes is one of the healthiest ways to approach food. Spending time preparing dishes with children sets a value that will grow with them. What dishes have your children made recently?

My personal Moment of the Week as brought about by Emma. She is one of our Year 3 students who popped into my office with a team of other year 3s. She told me her personal story about her worries over the impact that rubbish has on the animals of this world and so she has begun a campaign to ensure we dispose of our waste responsibly in school. She has inspired her fellow students to help her and is now designing posters this very moment. This is what 'Taking Action' in the IB curriculum is all about and I am so tremendously proud to be able to support these students in this campaign, alongside their teachers.

Dates for the Year Group Information Sessions are below. These sessions will be a great opportunity to connect with other parents as well finding out more information about each subject and how we teach in the PYP.
