Transport Policy "Annex A" for Academic year 2020-2021

Bus Disinfectant:

Buses will be disinfected before every trip, areas include seat belts, handles and rails. On a monthly basis our buses will be detailed disinfected by sprayer machine from inside. This will be recorded and maintained by Arab Falcon supervisor in the school.

Temperature Check:

All Arab Falcon bus riders will undergo temperature screening as per KHDA guidelines. Temperature screening equipment will be available on Arab Falcon buses, all students boarding the bus will undergo temperature check by bus helper and recorded along with attendance sheet. If anyone showing temperature greater than or equal to 37.5 degree Celsius will not be allowed on the bus.

Bus Seating Capacity:

As per KHDA guide line buses will be operated at half capacity until further notice.

Students wearing face mask in bus:

All students aged above 6 years needs to wear face mask. Anyone aged above 6 years not wearing face mask will not be allowed on the bus. Students will only use designated seats.

Students showing symptoms of Covid -19:

As per KHDA guidelines if anyone in the bus shows symptoms of Covid-19 he/she need to do a Covid 19 test, if found positive he/she will go into quarantine and all his/her close contacts will go into quarantine too. **In such a case transport fee will not be refunded.**
